

Sure As the Dawn

Lord, I am amazed
That the God of all grace
Would shine down His love
From the heavens above
On this unfaithful race.

For Jesus the Lamb
Has atoned for our sin;
All glory and honor
Be unto the Father,
And be unto Him!

Chorus:
*As sure as the dawn
Is Your unfailing love;
As sure as the rain in the springtime
That showers the earth from above!
For Jesus the Son
Died to make me His own.
And nothing can take me away from His love;
It's as sure as the dawn.*

Lord, I am a man,
And my love's like the dew;
As soon as the sun
Has dried all my resolve,
Then I turn it from You.

I remember the day
When You made my heart yearn;
For Jesus, the husband
That I didn't want
And could never deserve.

Bridge:
And none of the good that I've ever done
Could merit the favor of Your Holy One.
This love is a gift that He bought with His life,
And all who believing receive Him will find...

(Chorus)
