

This Day It Is Complete

A yearly sacrifice
Spoke of a better day
When sin would be removed
And guilt be stripped away.
The time has come at last:
Here is the perfect priest,
Here is the perfect lamb!

Chorus:

This day it is complete.
This day it is complete.
The debt is paid;
Atonement made.
This day it is complete.
This day it is complete!

A covenant renewed
By pure, forgiving blood.
The death of Jesus Christ
Has paved a way to God.
The curtain's torn in two,
Our High Priest takes his seat.
His work on earth is done!

Perfected once for all
By Christ the sacrifice,
We love him from our hearts,
And serve him with our lives.
We enter by his blood,
Our fellowship is sweet.
With Christ, forever one!
